ACHIEVEMENTS AND PARTNERSHIPS

We have drawn highly suffocated partnership deals with top companies of the world. A very significant deal has been our most recent partnership with **DURST**. They have one of the world's leading Digital Printing machines -the German's printing machine. Our printing design has been top-notch as a result of the German printing machine which has offered us the opportunity to see our designs perfectly from a clearer point of view. We are vested with experience and highly knowledgeable in terms of technological advancement and expertise. We have in stock the best of the Italian machines for our ceramic wall tiles production. We have invested so much in ensuring that our Research and Development department is one of the best and are devoted in providing up to date information about designs and our products quality level as we are focused on offering the best of the best to all our clients.

OUR PRODUCTS AND TEAM

As an OEM producer, we maintain a standard manufacturing level that is certified by the **ISO 9001** as guidelines for our manufacturing standards. Our products have been vetted both in the local market and on the international market to meet all approved quality standards. We are committed to setting the benchmark for innovations in the ceramic wall tiles industry. Our production capacity is on a large scale as we turn over **20,000 units of boxes** on a daily basis. We have over the years comfortably sustained a quick and effective delivery system. We are committed to upholding our promise to our clients at all times. We have a variety of products with the latest designs such as in luster, sugar, satin, glossy and even reactive designs. With us, the beauty of your home is achievable and applicable.

BECOME ONE OF US....

We are delighted to have you be a part of our distribution network and help us give your client's the best product. Being part of our distributor network gives you unrestricted privilege to sell our unique products on the market and meet the high demands from our customers. What this means is high profits and customer satisfaction.
